ABOUT

UI/UX designer based in Pančevo, Serbia, with a foundation in web, mobile, and brand design. I enjoy the full range of visual work – from interfaces and design systems to logos, illustration, and editorial layouts – and bring the same care for clarity and craft to every project, whatever the medium.

EDUCATION

UI/UX Design Diploma

GRADUATED

Academy of Technical Applied Studies – Polytechnic

Title: Professional Engineer of Computer Multimedia (Stručni inženjer računarskih multimedija)

Electrotechnical High School Diploma

COMPLETED

Nikola Tesla Technical School, Pančevo

Title: Electrotechnician of Multimedia (Elektrotehničar multimedija)

TYPOGRAPHY

BEYOND DESIGN

Away from the screen, I'm passionate about sports, video games, art, drawing and music – basketball most of all. They keep me inspired, energised and endlessly curious, and they feed everything I create.
